Package purchases include a discount offered as an incentive to clients who visit Peaches Skin Care for services on a regular/repeat basis. As a repeat customer, you receive a discount on regular/single visit prices by purchasing services in advance of your visit(s).

**There are no Refunds on Package purchases for any reason!**

You have 12 months in which to use all your package appointments. Cancellations of appointments which are prepaid as part of a package are subject to the normal cancellation policy - If you break our cancellation policy, you will lose one of your package appointments.

I am aware of and agree to the policies for package purchases as outlined above.
